Pretty Standard. No smoking in public places, all of the Hotels are non-smoking.

### **What type of weather can we expect at the time of year your convention is to be held?**

Can't put too much lipstick on this pig. The midwest is known for hot and humid August weather. Upper 80's to mid 90's and very humid. The folks from Houston will welcome the break, all other coastal dwellers will swelter. We use air conditioning. a lot.

Kansas City is a major metropolitan city. (Ranked as the 31st largest media market) We have museums, history, food, shopping, etc.

### **Who is on your committee? Who is your bid chair? What experience do they have in general? In running this convention in particular?**

Ruth Lichtwardt, Diane Lacey, and Jeff Orth are the chairs. We have been busy gaining experience as Department heads, and Division Head, and assorted other tasks at Worldcons since 2004. The committee consists of many people from all over fandom and the North America.

### **If known, who will be the chair of the convention? What experience do they have?**

Unknown. It is assumed that Diane, Ruth and Jeff will be on the hotseat but they're still trying to talk their way out of it.

### **What arrangements will be made for evening socializing and party space? Do you have a corkage waiver?**

Waivers are in negotiation, but, the Midwest is very open to this sort of thing, we see no problems.

### **Are you planning to have any membership discounts for certain groups, such as young adults, military, or seniors?**

We are still looking at options, but, some are likely.

### **Are you participating in pass-along funds?**

Yes.
